

Dear Legal Aid Group Member

At this week's Civil Contract Consultative Group meeting with the LAA and other representative bodies, we raised some of the current issues that are being experienced with billing following the CCMS update in January. The Legal Aid Agency have agreed to have a meeting with us next week to discuss the billing issues with a view to resolving them / getting bills processed where 'stuck'.

We want to ensure that the information we provide is as up to date as possible. In the circumstances, if you do have any ongoing issues with processing bills following the update, please can you respond with details so that we can raise these issues at the meeting with the Legal Aid Agency next week. If possible, it would assist if information could be provided by Wednesday 23rd March 2022.

Thank you in anticipation of your kind assistance.

Kind regards

Charlotte Flanders | ACL LAG Executive Committee
